Community Projects--South Kanara--Supply of Medicines to private Hospitals and dispensaries--Sanction--Request.

Ref: 1.From the Secretary,Social Service Medical Van of the Employer Labour Liason Committee letter dated 25-3-1954.

I have permitted the Secretary of the Social Service Medical Van of Employer Labour Liason Committee, Mangalore to purchase medicines to the aggregate value of Rs.500/- including all incidental charges, being the II installment of supply of medicines out of the provision for Rs.1500/- made in the overall programme against this institution. The Secretary of the institution who represented that the pressure of public demand for medicines could not be complied with for want of sufficient stock,was asked to obtain quotations and submit to me for acceptance of the lowest rates quoted. Accordingly quotations were obtained and submitted by the Secretary. The lowest quotation was accepted and sent to the Secretary for making purchase,after obtaining approval of the District Medical Officer.

I therefore request that my action in having permitted the Secretary of the Social Service Medical Van to purchase the medicines locally may kindly be approved and sanction may be accorded to an ex aggregate expenditure of Rs.500/- including all incidental charges towards the second instalment of supply of medicines to the institution. I have perused the accounts of the institution. It is spending more than Rs.1000/- a year for medicines alone from other donations. Free service is rendered in village parts, taking medicines in a van and Doctors and Nurses are doing voluntary service.

Yours faithfully,

A. Vishalakshi

Generally, the Govt sanction a maintenance grant to a deserving private medical institution only if there is a deficit in the annual account of the institution taking into account its ordinary receipts and ordinary expenditure (excluding expenditure on acquisition of realisable and abiding assets)

However the proposal to meet the expenditure referred to on ℘ 1 ante from the provision* made under "63. B. Community Dev. Projects" need not be objected to in this dept.
